Software Developer | sharavanavelj@gmail.com | Linkedin | GitHub | 9487268703 | Salem

Executive Summary

A motivated Java Full Stack Developer with hands-on knowledge of HTML, CSS, JavaScript, React, Java, Spring Boot, MySQL and MongoDB. Strong in object-oriented programming and building responsive web applications. I am a quick learner with good problem-solving and communication skills, eager to contribute to innovative projects and deliver high-quality software solutions.

Projects

Catering Management System – Full Stack (MongoDB, Express. js, React. js, Node. js)

- Built a full stack catering management system using React and Node. js/Express server to allow event sign-ups, menu administration and billing.
- Built with MongoDB – Implemented real-time data storage and retrieval to allow for seamless event and user interaction tracking.
- Created an interactive dashboard where events, availability, and registrations could be track for the admin as per need.

Technical Skills

- Languages: Python, Java, JavaScript
- Web Technologies: HTML, CSS, React. js
- Backend: Node. js, Express. js
- Database: MongoDB, MySQL
- Tools & Libraries: Git, Postman

Personal Skills

- Problem Solving: Good ability to identify problems and make appropriate decisions.
- Fast Learner: Ability to learn new concepts and technologies quickly.
- Time management skills: Very effective in prioritizing work and achieving deadlines.
- Teamwork: Collaborates with others towards work group or team goals.

Education

B.E. Computer Science and Engineering   Salem, Tamil Nadu
Government College of Engineering   *2026 (Pursuing)*
Cgpa: 8.4

Certificates & Achievements

- Gained certificate from **Simplelearn** for Mern Stack
- Received MS Excel**(Basic)** certification from **Simplilearn**
- Won First Prize in Technical Quiz Conducted by "CRENNOVA-25" at **Salem Engineering College**
- Gained certificate for attending the **Industrial visit** at **Techvolt software pvt.ltd**
